Dear Mr. Secretary-General

I am pleased to confirm that R.A.Q. project Management and Building Maintenance INC. Support the ten principles of the Global compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day –to-day operations of our company, and to engaging in the collaborative projects which advance the boarder development goal of the United Nations, particularly the Sustainable Development Goals. R.A.Q. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and annually thereafter according to the Global Compact COP policy.

**Sincerely yours
Mr. Raad Al Qaysi
CEO, R.A.Q. Project Management
And Building Maintenance INC.**
