Dear Mr Secretary General,

We are pleased to confirm that the International Road Transport Union (IRU) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in country/local networks, involvement in specialised initiatives and work streams, engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communications on Progress.

Yours sincerely,

Janusz Lacny
President
