We also pledge to participate in and engage with the UN Global Compact in the following ways:

- job placement in compliance with legislative norms,
- carrying out the activities within legislative framework,
- assistance to veterans of the Russian-Ukrainian war with their employment, as well as to members of their families and volunteers,
- adhering to principles of sustainable development,
- cooperation with business and non-business organizations in order to achieve the goals of sustainable development.
- implementation of the ten principles of the UN Global Compact,
- cooperation with the local office of the UN Global Compact.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.
