Dear Mr. Secretary-General,

Sub: Letter of Commitment for UN Global Compact Initiative - Reg

I am Paidipalli Raja Rao (Founder & President of Telangana Kala Parishath) pleased to confirm that Telangana Kala Parishath supports the principles of the Global Compact for making the world a better place. With this communication, we express our intent to implement the principles of UN Global Compact. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our organization, and to engaging in collaborative projects which advance the broader development goals of the United Nations. We will make a clear statement of this commitment to our associates and the general public. We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress that describes our company's efforts to implement the Global Compact principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Thanking you.

Yours Sincerely

Founder & President
