Dear Mr Secretary-General

I am pleased to confirm that the Centre for Creative Initiatives in Health and Population (CCIHP) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible, through for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing providing commentary to participating companies on their Communications on Progress*

Yours sincerely

Hoang Tu Anh, MD, MSc.
Founder/Director

* Note: unlike business participants, non-business organizations are not required to develop and submit a Communications on Progress – though organizations may do so if they wish.
