Dear Mr. Secretary General

LETTER OF COMMITMENT FOR NON-BUSINESS PARTICIPATION

I am pleased to confirm that Divine Heritage Children Centre (DHCC) supports the ten principles of the United Nations Global Compact with respect to Human Rights, Labour, Environment and Anti-corruption. With this commitment, we express our intent to support the Global Compact in advancing these principles, and will make a clear statement of the commitment to our stakeholders and the general public.

We also pledge to participate in the category of giving hope to at risk children, by nurturing them for destiny.

- * Conduct applied research and thought leadership to advance best practices.
- * Promote the UN Global Compact Ten Principles and educate a variety of audiences about sustainability.
- * Support UN Global Compact on raising awareness on nurturing vulnerable children and reporting on their sustainability efforts.
- * Lend Capacity to Global Compact Local Networks and/or the UN Global Compact in New York.
- * Join the Principles for Family Life Education (FLE) for more information.

We recognize that a key requirement for participation in the Global Compact is the submission of Communication on Engagement (COE) that describes our organization's effort to support the implementation of the Ten Principles and engage with the Global Compact. We will support public accountability and transparency, and therefore commit to thereafter according to the global Compact policy.

Yours faithfully,

Mrs Egun Oluwatoyin Idowu
Executive Director, DHCC
