Letter of commitment – UN Global Compact

Dear Secretary General,

I am pleased to confirm that Difi – the Agency for Public Management and eGovernment of Norway, supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption.

With this commitment we express our intent to advance these principles within our sphere of influence and will make a clear statement of this commitment to our stakeholders and the general public.

We pledge to take part in the activities of UN Global Compact where appropriate and feasible – through, for instance, participation in Country Networks and involvement in specialised activities.

Yours sincerely

Hans Christian Holte
Director General
