Dear Secretary-General,

I am pleased to confirm that SSX Group Pty Ltd, ACN 167 681 610, supports the Ten Principles of the United Nations Global Compact on Human Rights, Labour, Environment and Anti-Corruption. With this communication, we express our intent to formally acknowledge our implementation of those principles. We currently abide and fully support the Ten Principles of the United Nations Global Compact on Human Rights, and are committed to continuing the implementation and of the UN Global Compact and its principles as part of our business strategy, culture and day-to-day operations of our company, in addition to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. SSX Group Pty Ltd will make a clear statement of this commitment to our stakeholders and the general public.

We recognise that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- A description of practical actions (i.e. disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the UN Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption).
- A measurement of outcomes (i.e. the degree to which targets / performance indicators were met, or other qualitative or quantitative measurements of results).

Kind Regards,
