

NETHOPE
COMMITTED TO IMPROVING THE HUMAN CONDITION

December 13, 2017

H.E. António Guterres, Secretary-General
United Nations
New York, NY 10017

Dear Mr. Secretary General,

I am pleased to confirm that NetHope supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption.

With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders. We will also, where appropriate, encourage other organizations we interact with, to participate in the UN Global Compact.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely,

Lauren Woodman
Chief Executive Officer
