Dear Mr. Secretary General,

I am pleased to confirm that our Organization of Islamic Cooperation Humanitarian Funds [OICHF] supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact by sticking to its principles and aligning our mission of achieving global leadership in humanitarian action, building communities, human development and eradicating poverty, specifically adhering to the anti-money laundering in accordance to the principles of UN Global compact and in compliance with the regulations in the financial handbook issued by our international auditors.

We recognize that a key requirement for participation in the Global Compact is the annual submission of Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Sheikh Dr. Abdulaziz Abdulrahman Althani

Chairman of the Board of Trustees
