Dear Mr. Secretary-General,

I am pleased to confirm that **UNIDUS Corporation** supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, **UNIDUS Corporation** would like to keep those principles in our workplace and to engaging in collaborative projects which advance the broader development goals of the United Nations, **UNIDUS Corporation** will make a clear statement of this commitment to our stockholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication On Progress (COP) that describes our company's efforts to keep the ten principles what we are doing now but, we should pay more attention to Environment principles as we are a manufacturer. We support public accountability and transparency as listed on Korean stock market.(KOSDAQ) Therefore, we commit to report on progress within one year of joining the Global Compact and thereafter according to the Global Compact COP policy annually.

Sincerely yours,

Mr. SungHoon Kim
President of UNIDUS Corporation
