

BHEL's Commitment In Support of U.N.G.C. Programme

Bharat Heavy Electricals limited (BHEL), a Government of India enterprise, is the largest engineering and manufacturing enterprise of its kind in India and is one of the leading international companies in the field of power equipment manufacturing.

BHEL is an environment friendly company in all its activities, products & services, besides providing safe and healthy working environment to all its stakeholders. All manufacturing units / regions of the company are accredited to latest international standards viz. ISO-14001 certification for Environmental Management System (EMS) and OHSAS – 18001 certification for Occupational Health and Safety Management Systems.

The company reiterates its commitments to United Nation's Global Compact (UNGC) Programme and intent to advance UNGC Principles within the company's sphere of influence and has ingrained it in its strategy, culture and day-to-day operations.

The company publically advocates UNGC principles to its Stakeholders through Annual Report, Press Conferences and other public communiqués.

BHEL has also taken a lead role in promoting UNGC principles in other Indian Organizations through Global Compact Network by organizing case studies / organizational experience sharing & addressing the Global Compact principles in Indian Context.

BHEL's performance (2010-11) on each principle of Global Compact is also available on Company's web site (www.bhel.com) uplinked to UNGC website.
