Dear Mr Secretary-General,

I am pleased to confirm that the Re-ACT Foundation supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities in the UN Global Compact where appropriate and feasible through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and work streams; engagement in partnership projects, and reviewing and providing commentary to participating companies on their Communications on Progress.
