Dear Mr. Secretary-General,

LETTER OF COMMITMENT

I am pleased to confirm the Sustainable Asset Management Solutions Pte Ltd supports the ten principles of the Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals. Sustainable Asset Management Solutions Pte Ltd will make a clear statement of this commitment to our stakeholders and the general public.

We recognise that a key requirement for participation in the Global Compact is the annual submission of a Communication of Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

This includes:

1. A **statement by the chief executive** expressing continued support for the UN Global Compact and renewing the participant's ongoing commitment to the initiative.
2. A description of practical actions the company has taken or plans to take to implement the Ten Principles in each of the four areas (human rights, labour, environment, anti-corruption).
3. A measurement of outcomes.

Sincerely yours,

Joe Vong
Managing Director
