Dear Mr. Secretary General,

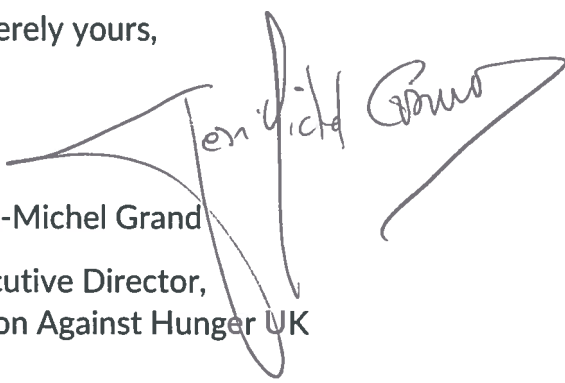

**UN Global Compact**

I am pleased to confirm that **Action Against Hunger UK** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the UN Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact where possible, for example by engaging with workstreams relevant to our expertise, promoting sustainability in our partnerships with other stakeholders, and showing leadership in our adoption of the ten principles.

We recognise that a key requirement for participation in the UN Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with the UN Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the UN Global Compact and every two years thereafter according to the UN Global Compact COE policy.

Sincerely yours,

Jean-Michel Grand  
Executive Director,  
Action Against Hunger UK
