Dear Mr. Secretary General,

I am pleased to confirm that As You Sow supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): to hold businesses accountable to their commitments to the UN Global Compact and its Ten Principles; to implement the UN Global Compact's Ten Principles through your own strategy and operations.; to encourage businesses and others you interact with to participate in the UN Global Compact; to participate on the UN Compact Board.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Andrew Behar
