Dear Mr. Secretary- General, I am pleased to inform that IF Broommapojkarna supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: Propose and implement partnerships on corporate sustainability and engage with other stakeholders, engage with Global Compact Local Networks and incorporate the principles of Global Compact in our strategy, culture and day-to-day operations.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact, and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Mr. Henrik Nilsson
Director, IF Broommapojkarna
