UNITED NATIONS GLOBAL COMPACT - LETTER OF COMMITMENT

Dear Mr. Secretary-General,

I can confirm that ARD Graphic SA supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this present communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and operations of our company. ARD Graphic SA will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a Communication on Progress that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter. This includes:

- A statement signed by the chief executive expressing continued support for the Global Compact and renewing our ongoing commitment to the initiative and its principles.
- A description of practical actions that the company has taken to implement the Global Compact principles in each of the four issue areas.
- A measurement of outcomes.

Sincerely yours,

Vincent Guignard
CEO, ARD Graphic SA
