Dear Mr. Secretary General,

I am honored to confirm that Georgian Farmer's Association supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

Georgian Farmer's Association is a non-governmental organization, which aims at strengthening agricultural sector. It unites businesses, agricultural cooperatives and farmers, (approximately 4000 farmers throughout Georgia) providing such services as advocacy, capacity building and networking.

Our organization will be honored to participate in and engage with the UN Global Compact in the following way(s):

1. Encourage business and other organizations to participate in the UN Global Compact.
2. Promote the UN global Compact Ten Principles and Educate a variety of audiences about it.
3. Implement the UN Global Compact's Ten Principles through our own strategy and operations

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely Yours,

Nino Zambakhidze  
Chairwoman
