

## Commitment Letter

July 31, 2018  
H.E. António Guterres  
Secretary-General  
United Nations  
USA

Dear Mr. Secretary General,

I am pleased to confirm that **Jayanthi Sreejeevika Foundation** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact by advocating the UN Sustainable Development Goals which focuses on identifying, measuring impact in mitigating the global issues leading to the progressive & sustainable development by 2030.

**Jayanthi Sreejeevika Foundation** recognizes that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to support any specialized UN Global Compact issue platform that our company may join at a later date. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

---

This includes:

- A statement signed by the chief executive expressing continued support for the Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the Global Compact.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the Global Compact principles in each of the four issue areas (human rights, labour, environment, anticorruption).
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

Many Thanks & Regards,

Dr. Rajendra Srinivas Bandaluppi  
Director

Jayanthi Sreejeevika Foundation
