## SAMPLE COMMITMENT LETTER FOR NON-BUSINESS ORGANIZATIONS

27/08/2018

H.E. António Guterres  
Secretario General de la  
Organización de la Naciones Unidas  
Nueva York, NY 10017  
USA

Dear Mr. Secretary General,

I am pleased to confirm that *Asociación Cultural y Deportiva Océano Atlántico*, supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: acquiring a social commitment in each of the actions carried out, offering services and training whose ultimate goal is to improve the welfare and individual improvement of each worker. For this, we look for channels at street level, which allows us to situate ourselves in the real needs of the population with which we work; connecting with our clients and users in a real and close way, and acquiring both with them and with our suppliers, a degree of responsibility at all levels.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Atentamente,

SRA. MERITXELL LABORDA MONTALBÁN  
Presidenta
