Dear Mr. Secretary-General,

I am pleased to confirm that Volunteer Centre, Roskilde, a platform of 106 Danish NGOs, supports the principles of the UN Global Compact. Our Board has developed a policy on social responsibility and we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

We will during the European Year of Voluntarism 2011 enhance our collaboration activities with the corporate sector and the knowledge institutions with a view to promote social responsibility.

Sincerely yours,

  
Linda Thorsager  
Director
