With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

2. Support UN Global Compact business participants in implementing and reporting on their sustainability efforts.
3. Learn and Research the best practices of UN Global Compact Network and/or the UN Global Compact in New York to adopt sustainable principles.
4. Promote and implement the Principles of Responsible Management Education (PRME) within the school and community.
