**To:**

H.E. UN Secretary-General  
António Guterres

United Nations Headquarters

Dear Mr. Secretary-General,

I am pleased to confirm that Optima Grupo and its corporated companies are willing to join the UN Global Compact and supports the ten principles in regards to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence.

We are committed to build the Global Compact and its principles into our corporate strategy, culture and day-to-day operations, and to engage in collaborative projects which advance the broader development goals of the United Nations – particularly the Sustainable Development Goals (SDGs). Optima Grupo will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for effectively joining the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the Global Compact, and annually thereafter according to the Global Compact COP policy.

Sincerely yours,

**Mr. Ignasi Casamada Lasús**

President - Optima Grupo
