Dear Mr. Secretary-General,

I am pleased to confirm that All-Ukrainian Non-Governmental Organisation “NOVI MOZHLYVOSTI” supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.\*

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

\* Note: unlike business participants, non-business organizations are not required to develop and submit a Communications on Progress – though organizations may do so if they wish.

\*\* This letter must be signed by the highest executive in the organization and submitted using the Organization Information Form online.
