**United Nations Global Compact**

685 3<sup>rd</sup> Avenue,  
New York, NY 10017, USA

Dear UN Secretary-General, H.E. António Guterres,

**RE: UN Global Compact Signatory Application**

We, Camco Management Limited, "Camco", registered in the United Kingdom, registration number 09902551, are pleased to express our commitment to the UN Global Compact and their goals by applying to be a signatory.

We are a company dedicated to sustainability, as demonstrated by our policies and practices pertaining to the Ten Principles across four key areas, human rights, labour, environment and anti-corruption.

Camco has been and is committed to making the UN Global Compact and its principles part of our strategy, culture and day-to-day operations, and to engaging in collaborative projects which advance the broader Sustainable Development Goals.

We recognise that the key requirement for participation in the UN Global Compact is an annual submission of a Communication on Progress (COP), describing our company's efforts in enacting the Ten Principles. We support the public accountability and transparency that being a signatory requires.

We accept that annual reporting to the UN Global Compact requires:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- A description of practical actions, particularly disclosure of relevant company policies, procedures, activities and strategy to implement the UN Global Compact principles in each of the four issue areas.
- A measurement of company outcomes with respect to targets or performance indicators.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Geoff Sinclair', with a stylized flourish at the end.

**Mr Geoff Sinclair**  
CEO
