H.E. Antonio Guterres
Secretary General
United Nations
New York, NY 10017
USA

I am pleased to confirm Augen Solution IT S.A. de C.V. supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles with in our sphere of influence. We are committed to making the Global Compact and its the principles part of the strategy, culture and day to day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals, Augen Solution IT will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of a communication on progress (COP) that describes our company's efforts to implement the ten principles. We support public accountability and transparency, and therefore committee to report on progress with in one year of joining the global compact, and annually thereafter according to global compact COP policy. This includes:

A statement signed by the chief executive expressing continue support for the Global Compact a renewing or ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the Global Compact.

A description of principal's actions, disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption).

A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

ATTE. Eduardo Tostado Tenorio
