P.E. n. 997

To UN Secretary-General
Mr. António GUTERRES
United Nations Headquarters
New York, NY 10017, USA

Dear Secretary-General Guterres,

it is with great pleasure that, as representative of Confcooperative, the largest Italian Cooperatives Association I, undersigned Maurizio Gardini, declare our commitment to the Ten Principles of Global Compact and therefore ask to become member of this initiative whose value we will contribute to spread among our fellow enterprises.

Our support is already proved by our engagement on sustainability which we monitor every year through reporting and we plan to deepen it from now on, focussing on anti-corruption, human rights, labour and environment. These issues are part of our strategy and we are daily engaged into tackling them with our political and economic counterparts while lobbying for an enabling environment for SMEs.

We also commit to participate in every feasible activity which UNGC will organize and we pledge to submit the COE every two years as a mean to monitor and communicate our actions in fulfilment of our membership.

Sincerely yours.

The President
Maurizio Gardini
