Dear Mr. Secretary General,

I am very pleased to confirm that Charitable Organization "Charitable Foundation "Klitschko Foundation" supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: promote the UN Global Compact Ten Principles and educate a variety of audience about sustainability, propose and implement partnership on corporate sustainability and engage with other stakeholders, engage with local Global Compact Local Network, join issue platforms and work streams.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's effort to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.
