Dear Mr. Secretary General,

I am pleased to confirm that Parahyangan Catholic University (UNPAR) supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the whole Ten Principles of the UN Global Compacts which are broadly divided into four main issues, namely Human Rights, Labor, Environment and Anti-Corruption. As a Higher Education Institution, Parahyangan Catholic University (UNPAR)'s academic and administration staffs and students as well are insisted to get involved in different ways in running education, doing research or producing policy recommendations, and carrying out community services in line with or under the spirit of the Ten Principles of the UN Global Compact.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Mangadar Situmorang, Ph.D
Rector
