Ribera de Arriba, 26<sup>TH</sup> OCTOBER 2020

Dear Mr. Secretary General,

I am pleased to confirm that FUNDACIÓN LABORAL DE LA CONSTRUCCIÓN DEL PRINCIPADO DE ASTURIAS supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Promote the UN Global Compact Ten Principles and educate a variety of audiences about sustainability.
- Organize learning and dialogue events, workshops and training for your members on the UN Global Compact and specific topics relevant to corporate sustainability.
- Develop sector-specific tools and resources on corporate sustainability issues in collaboration with the UN Global Compact.
- Engage with the International Labour Organization (ILO) and other international institutions to advance labour union rights and decent work.
- Facilitate dialogue with companies and other stakeholders involved in the UN Global Compact to help build consensus around labour-related issues.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

FUNDACION LABORAL DE LA CONSTRUCCION  
DEL PRINCIPADO DE ASTURIAS
