Dear Secretary-General,

I am pleased to communicate you that the University of Murcia supports the ten principles of the UN Global Pact with respects of the human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in an engage with the UN Global Compact in the following ways: leading initiatives that promote the study and the values of the ten principles of the UN Global Pact; developing projects and activities in order to raise awareness of the Sustainable Development Goals among students and employees of the University of Murcia; providing all of our resources to collaborate with the UN Global Compact's aims.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication On Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Mr. José Luján Alcaraz
Rector, University of Murcia
