Dear Mr. Secretary-General,

I am pleased to confirm that Asociația pentru Implementarea Democratiei (AID Romania) – Romanian non-governmental association working in the field of promoting social responsibility supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anticorruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and general public.

We also pledge to take part in the activities of UN Global Compact where appropriate and feasible – through, for instance, participation in County/Local networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications and Progress.

Sincerely yours,

Mihaela Calin

President
