Dear Mr Secretary-General

I am pleased to confirm that the Endangered Wildlife Trust (EWT), a registered non-profit conservation organisation based in South Africa, supports the ten principles of the UN Global Compact with respect to human rights, labour, the environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks; involvement in specialised initiatives and workstreams, engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours

Ms. Yolán Friedmann
