Dear Mr. Secretary General,

I am pleased to confirm that ASN Senior Secondary School supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

Working for Education with ACCT (Aware, Connect, Commit, Transform)

The School is rigorously working on 17 UNSDGs since its inception and has integrated it through curricular linkages and co-curricular activities in the School culture. The key focus areas of human rights, labor, environment and anti-corruption of UN Global Compact Programme are being dealt directly and indirectly in the process. It will be our endeavour to plan and design following innovative and stimulating activities engaging students through:

- Sensitization programs and activities on key focus areas mentioned above
- Awareness programs like theme-based interschool competitions, Model United Nations Summits (MUN), Art, Literary, Cultural and Sports Activities.
- Special Assemblies on pertinent global issues.
- Celebration of National and International Days – Labour Day, Human Rights Day, World Peace Day, Earth Day, World Environment Day, Biological Diversity Day, World Ozone Day, International Energy Day, Vigilance Awareness Week, World Day for International Justice, International Day of Peace, Hiroshima Day, Holocaust Day, UNICEF Day etc.

- Collaboration with National and International organizations for multifarious activities to foster environmental consciousness and social responsibility in young learners.
- Educational Visits, Workshops and Seminars for teachers and students
- Appreciation for Class IV employees.
- Promoting Community Outreach.
- School would gladly register with Principles for Responsible Management Education (PRME).

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
