Dear Mr. Secretary General,

I am pleased to confirm that 3R WASTE Foundation supports the Ten Principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public. We also pledge to participate in and engage with the UN Global Compact in the following way(s): As an organization, 3RWF works closely in pursuance of the SDGs as adopted by UN General Assembly in September 2015; the Paris Declaration on Climate Change in December 2016 and New Urban Agenda as adopted in Quito in October 2016. We shall be working closely with UN Global Compact by participating in various activities throughout the country and also in organizing seminars and conferences keeping in line with the principles of these goals.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Dr. Kulwant Singh
CEO, 3R WASTE Foundation
