Dear Mr. Secretary-General,

I am pleased to confirm that Royal Unibrew A/S supports the ten principles of the United Nations Global Compact on Labor standards, Human rights, Environment and Anti-corruption. We are committed to continuing our effort of making the UN Global Compact and its principles a part of our strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the 17 Sustainable Development Goals (SDGs). Royal Unibrew A/S will make a clear statement of this commitment to our stakeholders and the general public.

We have shared our performance on environmental footprint and labor standards for many years. We hereby confirm that we will report on our goals, action plans and performance in our annual Communication of Progress (COP) to increase our accountability and transparency within all areas of the 10 principles and the SDGs. The first communication will cover our financial year 2019 (1. January to 31. December 2019). The COP will include

- A Statement from Lars Jensen, Chief Financial Officer, and me constituting the executive management, expressing our continued support of UN Global Compact and ongoing commitment to the initiative and its principles
- A description of practical measures our company has taken to implement the UN Global Compact Principles
- A measurement of outcomes (goals, initiatives and performance)

Sincerely Yours

Johannes F. C. M. Savonije
President & CEO
