Dear Mr. Secretary-General

I am pleased to confirm that SMVIARDO supports the ten principles of the UN Global Compact with respect to human right, labour, environment and anti-corruption. With this commitment, we express our intent to advance those principles with our sphere of influence, and will make clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible-though, for instance, participation in country/local network; involvement in specialized initiatives and work teams; engagement in the partnership projects, and reviewing and providing commentary to participating companies on their communications on progress.

Sincerely Yours
Mohamed Ali Haji
