Subject: Commitment Letter for Non-Business Organizations

Dear Mr. Secretary General,

I am pleased to confirm that SAUDI GREEN BUILDING FORUM supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- *Conduct applied research and thought leadership to advance best practices.*
 - SGBF Introduces saaf® certification, a catalyst for change, a conformity assessments on green, sustainability and culture practices
- *Support UN Global Compact business participants in implementing and reporting on their sustainability efforts.*
 - Assisting in the development of a comprehensive collection of guiding systems and standards promoting and reporting the 17 Sustainable Development Goals (SDGs) powered by five pillars: Energy, Water, Transportation, Material and Human Experience.
- *We Join the Principles for Responsible Management Education (PRME) for more information.*

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter
