Dear Mr. Secretary General,

I am pleased to confirm that **China International Chamber of Commerce for the Private Sector (CICCPS)** supports the ten principles of the UN Global Compact. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): 1, Encourage our members from CICCPS to join the UN Global Compact and promote the UN Global Compact Ten Principles with our Chinese members companies. 2, Organize learning and dialogue events, workshops and training for our members on the UN Global Compact and specific topics relevant to corporate sustainability; 3, Provide expertise of our Chinese member companies to UN Global Compact working groups and special initiatives and lead Chinese business delegation group to participate the UN Global Compact international events.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Wang yanguo (Chairman, China International Chamber of Commerce for the Private Sector)
