Subject.: Danish Refugee Council's commitment to the UN Global Compact

Dear Mr. Secretary General,

I am please to confirm Danish Refugee Council's (DRC) commitment to the 10 principles of the UN Global Compact as well as our intent to advance these in the sphere of our influence. The Danish Refugee Council is looking forward to take part in the activities of the UN Global Compact whenever feasible.

The DRC is a humanitarian, non-governmental, non-profit organisation founded in 1956 that works in more than 30 countries throughout the world. DRC fulfils its mandate by providing direct assistance to conflict-affected populations – refugees, internally displaced people (IDPs) and host communities in the conflict areas of the world; and by advocating on behalf of conflict-affected populations on the basis of humanitarian principles and the Human Rights Declaration.

In Denmark, the DRC assists refugees in all aspects of integration as well as asylum procedures. Internationally, DRC actively participates in supporting the protection of refugees, and promotes durable solutions for conflict-affected populations.

The DRC is an umbrella organisation and is currently consisting of 30 organisation members and voluntary groups committed to the refugee cause. Membership of the DRC is open to non-party-political, voluntary, nationwide humanitarian and international organisations that work on a democratic basis, and whose aims conform to those of the DRC.

Sincerely yours,

Mr. Andreas Kamm
Secretary General, Danish Refugee Council
