Dear Mr. Secretary-General,

I am pleased to confirm that Copenhagen Malmö Port supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption.

With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of our strategy, culture and day-to-day operations, and to engage in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

Copenhagen Malmö Port will make a clear statement of this commitment to our stakeholders and the general public. We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy. This is fully in line with our already established process for yearly reporting on our sustainability actions and ambitions.

Sincerely yours,

Barbara Scheel Agersnap
CEO
