Dear Mr. Secretary-General,

I am pleased to confirm that **Seoul Housing and Communities Corporation (SH Corporation)** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this letter, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

We recognize that a key requirement for this engagement in UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles according to the UN Global Compact CoP policy. This will include:

- A statement signed by CEO expressing continued support and commitment to the initiative and principles of UN Global Compact.
- A description of actions that the company has taken to implement the UN Global Compact principles in each of the four areas: 1) human rights, 2) labour, 3) environment, 4) anti-corruption. 204351580885780
- A measurement of outcomes.

We are glad to be the part of global partnership that derives mutual prosperities for sustainable environment and society.

Sincerely yours,

Seiyong Kim
CEO
