Dear Mr. Secretary-General,

I am pleased to confirm that Russian Far East Regional Public Organization «Center of corruption counteraction in public authorities» supports the ten principles of the UN

Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country Networks; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely yours,
Vladimir Shikhalev
