Dear Mr. Secretary-General,

I am pleased to confirm that ATEL supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate and feasible – through, for instance, participation in Country/Local Networks ; involvement in specialized initiatives and workstreams; engagement in partnership projects; and reviewing and providing commentary to participation companies on their Communications and Progress.

Sincerely yours,

F. Masquelier
Chairman ATEL
