Dear Mr. Secretary-General,

I am pleased to confirm that StrikeForce supports the ten principles of the UN

Global Compact with respect to human rights, labour, environment, and anti-corruption.

With this commitment, and our drive towards Security Sector Reform under the code of the Montreux Document we express our intent to advance the ten principles of the UN within our

sphere of influence, and will make a clear statement of this commitment to our

stakeholders and the general public.

We also pledge to take part in the activities of the UN Global Compact where appropriate

and feasible – through, for instance, participation in Country/Local Networks;

involvement in specialized initiatives and workstreams; engagement in partnership

projects; and reviewing and providing commentary to participating companies on their

Communications on Progress.

Sincerely yours,

Kevin. Skinner..
