Dear Mr Secretary - General.

I am pleased to confirm that Creative Support Foundation supports the Ten principles of the **UN Global Compact** with respect to human right, Labour, environmental and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these Principles and will make a clear statement of this commitment to our stakeholders and the General Public. The organisation will ever ready to participate in its activities of initiatives where Feasible.

We also pledge to participate in and engage with the **UN GLOBAL COMPACT** in the following ways

1. To promote and engage in provision of good quality education to the youths in order to enhance their human right in the society.
2. To engage the less privilege and physically challenge people to be productive and recognise within a scheme of arrangement within the system.
3. To engage support and promote food security within the communities for the less privilege.
4. To alleviate poverty level within the communities and grassroots people
5. To ensure access to primary and secondary healthcare within the communities.

We also recognise that a key requirement for participation in a Global Compact is the submission of communication of engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and engage with the Global Compact.

We also support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the **Global Compact (COE)** policy.

The organisation hereby commits to submit the communication of engagement COE within two years after joining and every two years thereafter.

Sincerely yours,

Olaleye Olaitan Mathew
President
