Dear Mr Secretary General,

We are pleased to confirm that EDBI Pte Ltd supports the UN Global Compact's Ten Principles with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the UN Global Compact advancing these principles, and will make a clear statement of this commitment to the general public.

We pledge to participate in and engage with the UN Global Compact by implementing the UN Global Compact's Ten Principles through our strategy and operations, and engage in partnerships which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

We recognize that a key requirement for participation in the UN Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the UN Global Compact and every two years thereafter according to the UN Global Compact COE policy.

Sincerely yours,
