Dear Mr. Secretary General,

I am pleased to confirm that Gwangsan-gu Facilities Management Corporation supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): We support the 10 core principles of UN Global Compact and will contribute to the sustainable development of society and play a leading role in realizing social values as responsible public enterprises in the community based on trust.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Jae-Seok, Kim

The chairman of the board, Gwangsan-gu FMC, Gwangju Metropolitan City
