June 9th, 2011

Dear Mr. Secretary-General,

We are very pleased to confirm that STEAG GmbH, Essen, supports the ten principles of the Global Compact of the United Nations with respects to human rights, labour, environment and anti-corruption.

We commit ourselves to realizing and advancing these principles into the strategy and the culture of our company and within the contact with our business partners as well.

In addition we express that we will take part in the collaborative projects to develop the Global Compact program and aims.

STEAG GmbH will submit an annual Communication on Progress (COP) describing the realisation of the Global Compact principles in our business actions which we understand as a key requirement to take part in the Global Compact network. This COP report will be part of our annual report.

We will further support and promote the Global Compact within our publications and in our internet and intranet communication with clear statements.

For any further information please do not hesitate to contact us.
Please find attached our contact details for further communication with the Global Compact Office.

Sincerely yours,
